A Qualified Referral is one where the customer answers "YES" to the following questions*:

1. Do you have an active checking and/or savings account?
2. *Credit Unlimited* only charges a \$99.95 set up fee and a \$49.95 per month, do you see that you are paying far more than that every month in unnecessary interest, fees, rent (vs. mortgage), etc.?
3. Would it be worth \$49.95 per month for a few months for you to achieve an excellent credit score?

* It is not necessary to ask these questions verbatim. It is only necessary that you know that they see the value of getting their credit cleaned and can afford the monthly retainer. Taking a moment to qualify your customers will create more revenue and results for you. Thank-you.
